Hello Carsten,

Sorry, yesterday after your visit I went out from office and just seen your message.

Shortly, for the two points below I confirm that ;

- Swimming pool is open 7 months a year.
- The accounts will not be shared in facebook but will be sent by email to everyone's personal emails.

Best Regards
Mete

Subject: Your Quotation for Arcadia

Hello Mete

Thank you for a very informative meeting.

I have looked through your quotation and have two comments:

1. In the past the pool have been open 7 months a year. That should remain so.
2. Use of Facebook for general information is fine, but account details should for security reason be kept in personal emails and not on Facebook. I don't want my name exposed on Facebook because I owe 50 TL.

Do you agree? And will you update your quotation accordantly and send an updated copy to Fritz and me. Thank You

Best Regards

Carsten Riddersholm
