

Introduction Rene Ritsema as a candidate for the Control Board Arcadia

Hi all,

My name is Rene Ritsema, age 59 years. Married with Elsbeth, having 3 grown up children and we currently live near the city of Den Bosch in the Netherlands.

With a strong background in finance and IT, I have had my own companies during the past 30 years. Next I have done quite some local community work. Hobbies are gardening, hiking, cycling and fishing

Purchased back in 2006 with 2 additional investors four Arcadia apartments. Recently we decided to sell the apartments.

Elsbeth and I decided to keep C6 Arcadia for ourselves after a lovely stay in April 2022. What a beautiful residence!

I trust with my financial and IT background and entrepreneur experience, I can help support to further grow this complex safeguarding the unique appearance.

Looking forward to meet you all the coming months.

Best Regards,

Rene Ritsema
